PROJECT

HOSHI

smolhoshi.herokuapp.com

PYTHON • HTML • SCSS • JAVASCRIPT • MONGODB • DJANGO

Hoshi is a modern platform to discover anime and manga. Hoshi contains a massive amount of information on over 17,000 anime and over 50,000 manga. Users can find their favourite anime or manga at ease thanks to the simple and intuitive UI. Hoshi also uses artificial intelligence to make anime and manga recommendations.
